If the owner is unwilling to destroy the exposed animal, strict isolation and observation of the animal shall be enforced at the owner's expense for a period of six months. If the executive secretary shall determine that there are reasonable grounds to believe a violation has occurred, he shall attempt to conciliate the matter by methods of initial conference and persuasion with all interested parties and such representatives as the parties may choose to assist them. Conciliation conferences shall be informal and nothing said or done during such initial conference shall be made public by the Board or any member of the Board or its staff unless the parties agree thereto in writing.

(c) The terms of conciliation agreed to by the parties shall be reduced to writing and incorporated into a consent agreement to be signed by the parties, which agreement is for conciliation purposes only and does not constitute an admission by any party that the law has been violated. Consent agreements shall be signed on behalf of the Board by its chairperson.

The Board shall serve upon the respondent a statement of charges and a summons and shall serve upon all interested parties a notice of the time and place of hearing. The respondent or his/her authorized counsel may file such statements with the Board prior to the hearing date as it deems necessary in support of its position. The hearing shall be open to the public, except that the respondent may request in writing a private hearing; the determination of such request shall be discretionary with the Board. The hearing shall be held not less than fifteen days after service of the statement of charges and summons. The summons so issued must be signed by two members of the Board and the issuance of such summons shall require the attendance of named persons and the production of relevant documents and records. The failure to comply with a summons shall constitute a violation of this chapter. The interested parties may, at their option, appear before the Board in person or by duly authorized representative and may have the assistance of an attorney. The parties may present testimony and evidence, and the right to cross examine witnesses shall be preserved. All testimony and evidence shall be given under oath or by affirmation. The executive secretary shall keep a full record of the hearing, which record shall be public and open to inspection by any person, and upon request by any principal party to the proceeding, the Board shall furnish such party a copy of the hearing record, if any, at such cost as the Board deems appropriate.

(g) If at the conclusion of the hearing, the Board shall determine upon the preponderance of the evidence that the person complained against has violated this chapter, the Board shall, after consultation with the Prosecutor in executive session, state its findings to and cause the Prosecutor to prepare and issue an order under Board directive requiring the person complained against to cease and desist from such unlawful conduct and to take such affirmative action as will effectuate the purposes of this chapter, with notice that if the Board determines that the person complained against has not after fifteen days following service of the Board's order complied with the order, the Board will recertify the matter to the Prosecutor for enforcement.

(h) Upon recertification to the Prosecutor for enforcement, he shall seek compliance by appropriate civil action brought in the name of the Fair Housing Board before a court of competent jurisdiction. In any such proceeding, where the court determines that there has been a violation of this chapter, the court shall award compensatory damages and, where appropriate, punitive damages, along with attorney fees. The court may also order such other relief as it deems necessary or appropriate.

(i) If, at the conclusion of the hearing, the Board shall determine upon the preponderance of the evidence of the record that the person complained against has not violated this chapter, the Board shall state and publish its findings and issue its order dismissing the complaint. (Res. 222-93. Passed 4-6-93.)

For the purposes of this chapter, the following terms, phrases, words and their derivatives have the meanings given herein.

- (b) "Parent" means any person having legal custody of a minor:
 - (1) As a natural or adoptive parent,

- (d) "Time of night" referred to herein, is based upon the prevailing standard of time, generally observed at that hour by the public in the Municipality, prima facie the time then observed in the Municipal Administrative offices and Police Station.
- (e) "Years of age" continues from one birthday, such as the seventeenth to, but not including the day of the next, such as the eighteenth birthday, making it clear that seventeen or less years of age is herein treated as equivalent to the phrase "under eighteen years of age". Similarly, for example, eleven or less years of age means under twelve years of age.
(Ord. 34-90. Passed 1-15-91.)

531.02 CURFEW HOURS.

No person seventeen or less years of age shall be in or upon any public place every day during the period ending at 6:00 o'clock a.m. and beginning:

(Ord. 34-90. Passed 1-15-91.)

531.03 EXCEPTIONS.

In the following exceptional cases a minor in or upon a public place during the nocturnal hours for which Section 531.02 is intended to provide the maximum limits of regulation shall not be considered in violation of this chapter:

- (a) When accompanied by a parent of such minor.
- (b) When accompanied by an adult authorized by a parent of such minor to take the parent's place in accompanying the minor for a designated period of time and purpose within a specified area.
- (c) When exercising First Amendment rights protected by the U.S. Constitution, such as the free exercise of religion, freedom of speech and the right of assembly. Such minor shall evidence the bona fides of such exercise by first delivering to the Police Department written communication signed by such minor and countersigned if practicable by a parent of such minor with his/her home address and telephone number, addressed to the Police Chief specifying when, where and in what matter the minor will be in a public place at night during the hours when this portion of this chapter is otherwise applicable to the minor in the exercise of a First Amendment right specified in such communication.
- (d) In case of reasonable necessity, but only after such minor's parent has communicated to the Police Department personnel the facts establishing such reasonable necessity and designating the minor's proposed location, route, purpose and the period of time the minor will be in or upon a public place.
- (e) When the minor is on the sidewalk of the place where such minor resides, or on the sidewalk of either next-door neighbor not communication an objection to the police officer.
- (f) When returning home by a direct route from, and within thirty minutes of, the termination of a school activity, or an activity of a religious or other voluntary association, or which prior notice, indicating the place and probable time of termination, has been given in writing to, and duly filed for immediate reference by, the Chief of Police or the officer assigned by him on duty at the Police Station.
- (g) When authorized by special permit from the Mayor, carried on the person of the minor, when necessary nighttime activities of a minor may be inadequately provided for by other provisions of this portion of this chapter. A written application shall be given to the Mayor, signed by a minor and by a parent of such minor, if feasible, stating:
 - (1) The name, age and address of such minor;
 - (2) The name, address and telephone number of a parent thereof;
 - (3) The height, weight, sex, color of eyes and hair and other physical characteristics of such minor;
 - (4) The necessity which requires such minor be in or upon a public place during the curfew hours otherwise applicable; and

The Mayor may grant a permit in writing for the use by the minor of those public places at such hours as in the Mayor's opinion may reasonably be necessary. In an emergency, this may be handled by telephone, or other effective communication, with a corresponding record being made contemporaneously, either to the Mayor, or if unavailable, to the Police Chief.

- (h) When authorized, by regulation issued by the Mayor, in other similar cases of reasonable necessity, similarly handled but adapted to necessary night-time activities of more minors that can be readily dealt with on an individual special permit basis. Normally such regulation by the Mayor permitting use of public places should be issued sufficiently in advance to permit appropriate publicity through news media and through other agencies such as schools, and shall define the activity, the scope of use of public places permitted and the period of time involved, not to extend more than thirty minutes beyond the time for termination of such activity.
- (i) When the minor carries a certified card of employment, briefly identifying the minor, the addresses of his home and place of employment and his hours of employment. (Ord. 34-90. Passed 1-15-91.)

It is intended to continue to keep neglectful or careless parents up to a reasonable community standard of parental responsibility through an objective test. It shall, a fortiori, be no defense that a parent was completely indifferent to the activities or conduct or whereabouts of such minor.

(b) It shall be an affirmative defense to this section that such parent within thirty days preceding the alleged violation filed, or caused to be filed, a complaint against such minor under Ohio R.C. 2151.27.
